### < Personal Skills />

I consider myself a proactive, organized, responsible & teamwork person capable of creatively solving problems.

Studying by myself i had a chance to build my ability to learn to learn, consistency and patience to resolve diferents problems.

### < Knowledge />

#### Lenguages

Spanish Level = Native  
English Level = B2

#### Tech Stack

HTML, CSS, JavaScript, React, Tailwind, UI/UX design, GitHub

### < About Me />

Started studying self-taught web development when i understood that web3 needed a lot of infrastructure, starting in February 2022. I am passionate about blockchain technology since a year ago and known the ecosystem in 2019.

Decided to create new technologies and solutions for diferent problems in web2 & web3, starting in frontend thinking of being fullstack dev.
